

IMPORTANCE OF NORTH DUSABLE LAKE SHORE DRIVE

- » Major multimodal north-south corridor that provides regional connectivity for trips destined to and through the city center, carrying as many as 170,000 vehicles per day.
- » Within the NDLSD study area, 43% of all trips are made using transit. Access to nearly 30 transit routes on bus or rail is provided within the study area, making it one of the most transit-rich corridors in the region.
- » The Outer Drive is on the National Highway System which consists of roadways that are important to the nation's economy, defense and mobility.
- » NDLSD is a "contributing feature" within historic Lincoln Park, tied closely to the expansion of the park and surrounding neighborhood development.

Congestion on NDLSD

NDLSD is a critical regional facility for all users, providing access vital to the City's economy, while remaining an important part of Lincoln Park's history.
