

North Lake Shore Drive
NEEDS ASSESSMENT
 Division Street to Fullerton Parkway

Soften lake shore line structures, improve trail

Bury the road to Grand St, extend parkland

Extend beach and park to connect Grant park

Important for distance swimmers and triathletes

North Ave beach light rail station

Eliminate street & trail crossings
 Ex: N. Ave beach parking lot

Parking @ N. Ave beach is difficult to use and congested esp at end of N. Ave

More bike parking at beaches

Maintain historical integrity of bridge to N. Ave beach

Fix bridge ramps and remove sand

Sandy trail please separate beach access and through trail traffic

Need to separate faster trail traffic from slower traffic along beach

Bikes on LSD

Waves break on the path, danger if path is crowded

Use this path to separate peds from bikes on this narrow area

Landfill S. of N. get drive away from towers/new water breakfall east

North Ave underpass is an example of safe trail access

Crossing time to long, "island" to small for demand

Signage @ all bike/ped crosses ON the pavement to LOOK both ways repeat every 100ft

Fix lighting for my softball games!

Eliminate parking (except handicap) E of LSD at N. Build underground prk ramp off LSD

Eliminate Taxi Area

Fix path

Cannon Dr. is an affront to a dignified park, straight shot, no trees, no curves!

GEESE!!

Separate bikes from peds on NLSD path

Inner drive seperated bike path

Better "how to be courteous" signs for bikes, walkers, joggers etc

Light rail station Fullerton/zoo/nature museum stop

- Sensitive Cultural, Recreational or Historic Resources
- Critical Safety Issues
 - Pedestrian, Bicycle or Traffic Safety Hotspot
- Congestion Hot Spots
 - Pedestrian, Bicycle or Traffic Bottleneck
- Need for Improved Park Access
- Need for Improved Park Circulation
- Transit Needs
 - Improve service, facilities, capacity or reduce delays
- Other Concerns [Yellow Post-it Note]
