

North Lake Shore Drive  
**NEEDS ASSESSMENT**  
 Belmont Avenue to Montrose Avenue

Hawthorne Place

Waveland Avenue

Sheridan Road

Irving Park Road

Montrose Avenue

Belmont Harbor

Sydney R. Marovitz Golf Course

Montrose Harbor

Create separate pedestrian and bike/roller blade paths

Path crossing street safety

Needs traffic control

Change this to this

Move bike/ped lanes closer to lakefront to avoid bike/car intersections

Widen the bike path

Biking through this area is difficult w/ people crossing from the parking lot to the tennis courts

Recreation Drive backs up on weekend afternoons with people exiting harbor & park; more green time

Too many uses for this path; separate them please

Need for better bike/ped safety

Direct access from Irving Park to lake

Create separate lanes for walking, running & biking

Hill before ped crossing

Incline near pedestrian intersection

Connect bike lanes on Irving Park to lakefront trail

Safer way off lakefront trail onto Irving Park. Bike path on or near Irving? Cyclist only traffic light?

Lake Shore Drive

More access points to trail like this

Separate cyclist from pedestrian walks

No crosswalk. Dangerous for runners

Put road in tunnel under bike path instead

Better signage to indicate what exits me a what from path

Improve transit access on Montrose and reduce vehicle congestion by increasing transit service & limiting vehicle access

Close bike crossing & use underpass...

Reroute bike path along existing east path; remove path intersection w/drive ramps

Improve transit via priority treatment for buses

People speed on inner drive here & dog walkers are crossing to dog park east of Clarendon Park

Make this intersection of Montrose bike path safer by lowering or raising path or street

Turn the golf course into a wooded nature space of hiking/walking trails. Connect the dots... to the Bird Sanctuary. Extend and connect natural walking trails

Finish

Make lakeside trail walkable

Acknowledge & accommodate the public that already uses this as a trail

Add light rail from Hollywood to Museum Campus

Drop the drive underground & cover it with park like the Boston Big Dig!

Turn LSD into a boulevard

Create tunnel of express lanes under LSD

Raise speed limit on LSD to at least 50 or 55 mph

Agree - Public transit from Hollywood to Museum Campus

Bury LSD below ground and create new park land like Boston

Lower speed limit on LSD

BRT, light rail or subway on LSD

I question this. LSD is the major traffic artery in this area

Remove road

- Sensitive Cultural, Recreational or Historic Resources
- Critical Safety Issues
  - Pedestrian, Bicycle or Traffic Safety Hotspot
- Congestion Hot Spots
  - Pedestrian, Bicycle or Traffic Bottleneck
- Need for Improved Park Access
- Need for Improved Park Circulation
- Transit Needs
  - Improve service, facilities, capacity or reduce delays
- Other Concerns [Yellow Post-it Note]
