

North Lake Shore Drive
NEEDS ASSESSMENT
 Foster Avenue to Hollywood Avenue

Reduce speed limit, everyone speeds anyway make it a drive not a speedway

Signage to encourage resp. bike riding needed

Light rail station Foster

Express service North of Foster

CDOT/IDOT: Study what was done at Barcelona's N. waterfront!

All arterial Sts are poorly designed and dangerous

Light rail station Bryn Mawr

Sidewalk narrow here, North side of LSD

Where do LSD drivers come from? likely they live close to the lake right? so would BRT work?

Severe backup in mornings when NB lanes are reversed/closed

LOVE <3 the bike access on Ardmore! safer for peds too!

Bike path into the Loyola campus

Expand lakefront trail N. along lake (Boardwalk)

Park space to Howard

Conserve Berger Park mansions and coach houses

Edgewater would become stinkwater if LSD extends any farther N.

Extend LSD and trail to Evanston via Lake

Extend park beach and trails N. to Evanston

Ped/bike access to Loyola at least if not Evanston-parking ramps

Keep motorcycles off LSD during 1-4am when they speed and race up/down the drive

Monorail W. side of park @ station
