

North Lake Shore Drive
NEEDS ASSESSMENT
 Foster Avenue to Hollywood Avenue

Park District oversight on park condition is sorely needed on dangerous existing conditions

Boardwalk on Foster like the Jersey Shore!

Drop LSD underground & cover w/park like Boston Big Dig!

Bring LSD back to a real boulevard and not a highway

Bury the drive in this area to join parklands over drive

Improve transit via priority treatment for buses

Keep beautiful mosaic murals; add more at other bridges

Extend drive north to Evanston

No extension north of Hollywood!

Create lower level of express lanes- excavate to create tunnel and subway

Need for transit (rail)

Reuse space under bridge at Bryn Mawr for bike/ped access. Way too wide for cars as-is

Art installation at Bryn Mawr Bridge (massive) Bricolage Mosaic Community

Bricolage murals

Dunes are developing. What's the plan? Foster Ave. Osterrman beaches

Road w/ no lights for cars to beach

Too many bikes here

Consider a major exit at Bryn Mawr Ave. to easily access Ridge; then a secondary exit at Hollywood that "perhaps" channels only north on Sheridan Rd. You can turn left on Thorndale if you want to get back to Ridge; If you wanted to get off at Bryn Mawr but drove past it, then you can get off at Thorndale
