Existing Conditions

Plan View

Option 1 - Transit Advantages at Junction

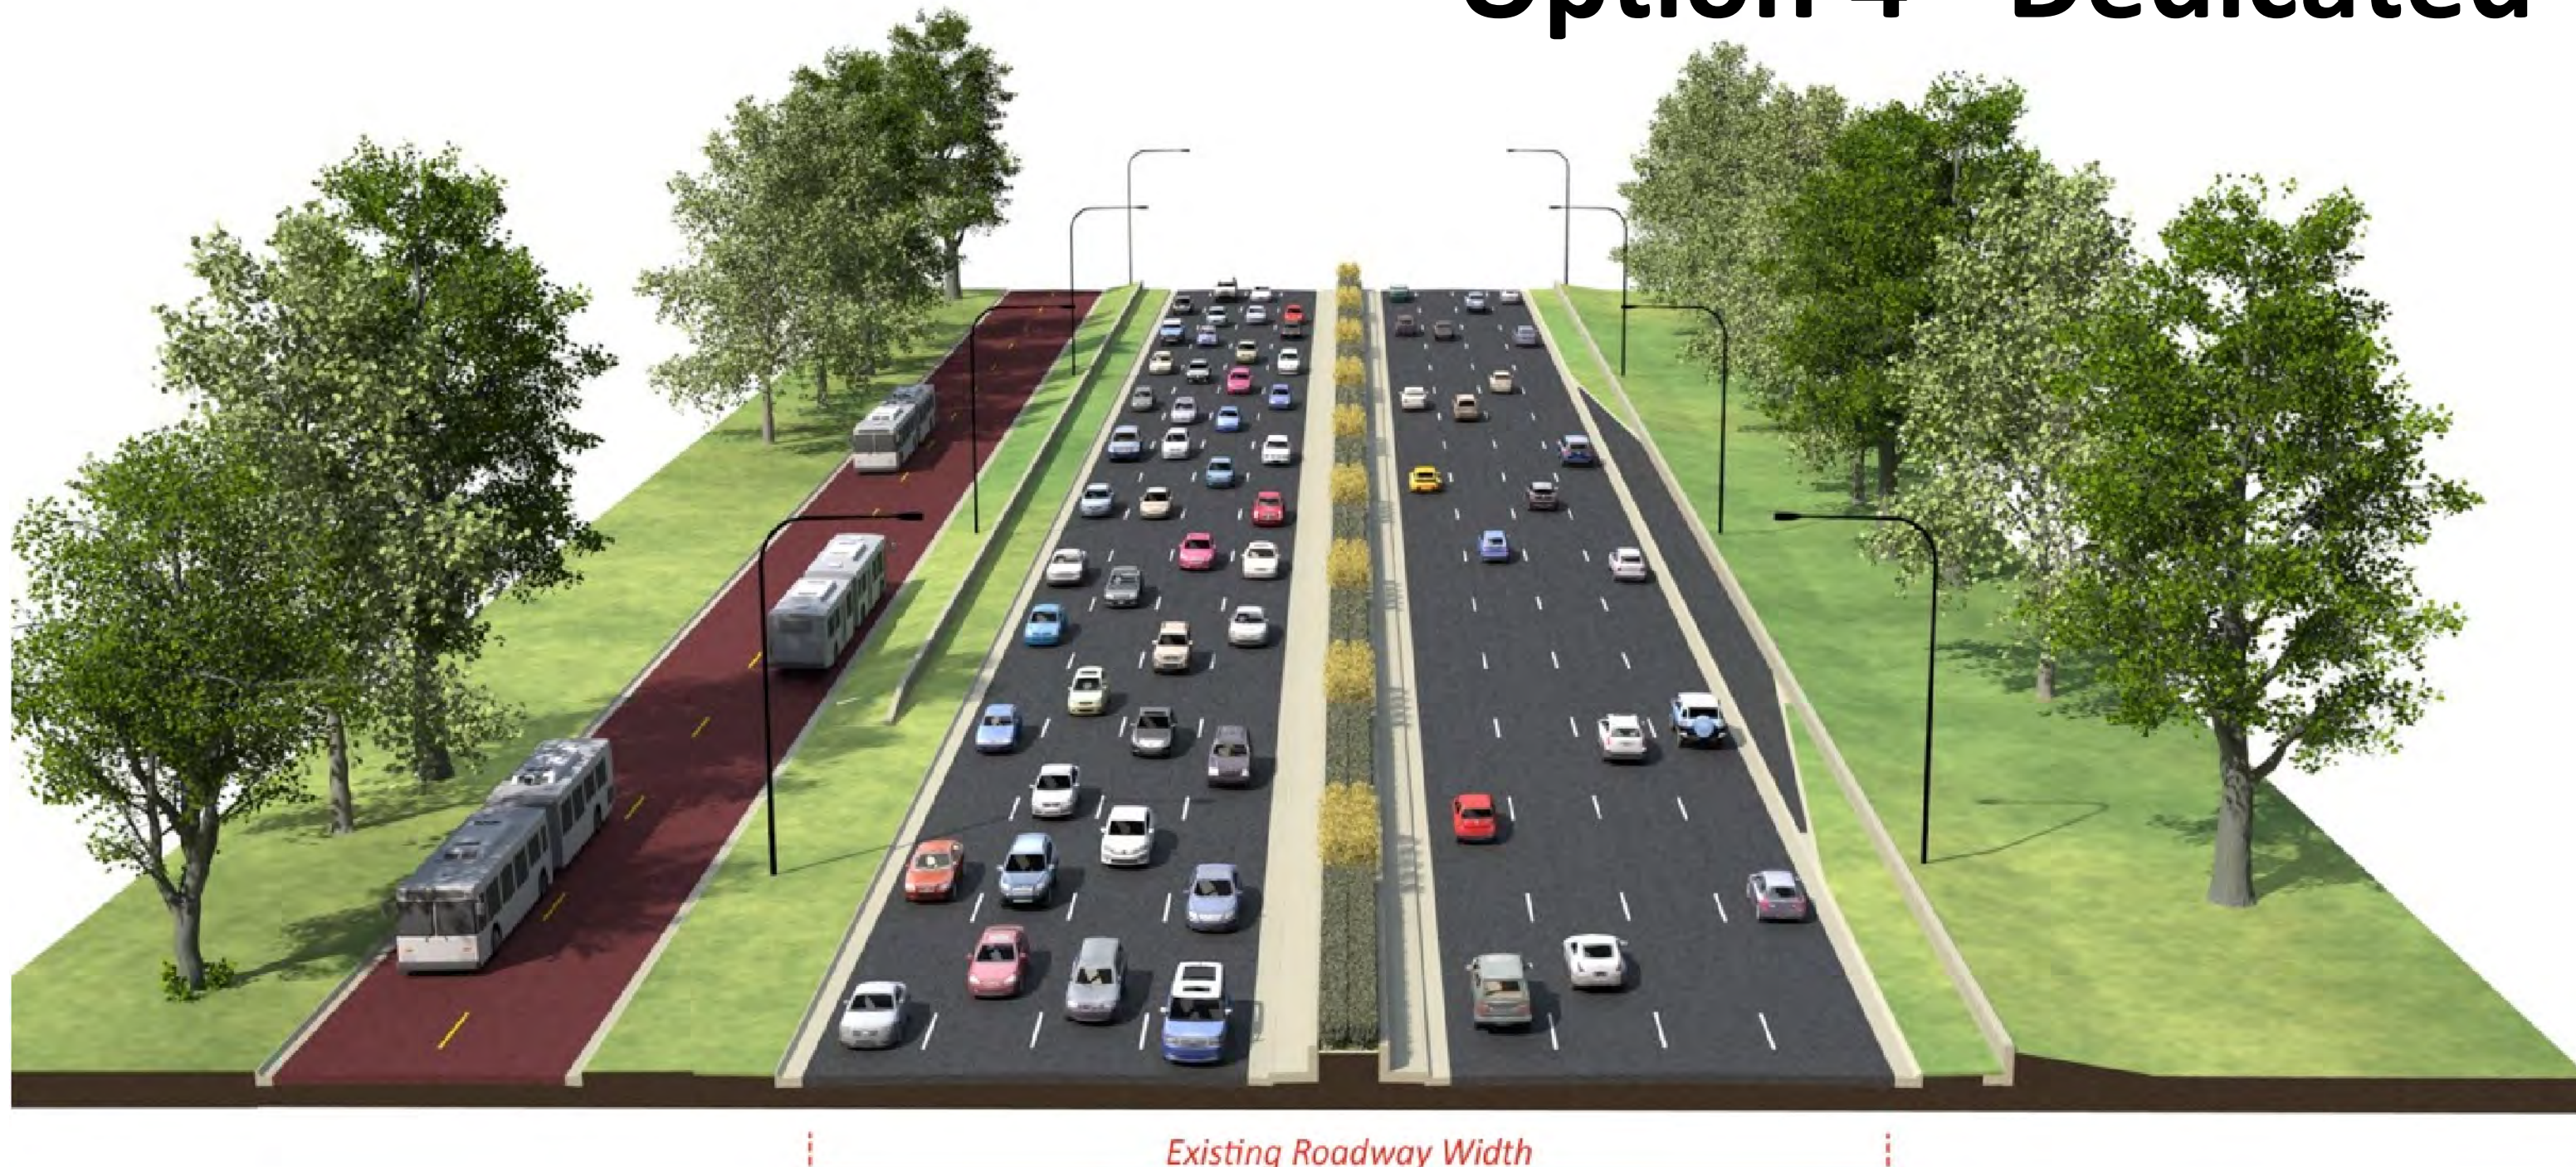

Option 2 - Bus on Right Shoulder

Option 3 - Dedicated Transitway on Left Side

Option 4 - Dedicated Transitway Off Alignment

- (1) Transitways ADD dedicated transit space in addition to existing general purpose lanes to improve bus mobility.
- (2) Looking North between junctions. NLSL between Grand and Montrose is depicted.
- (3) Fullerton Parkway looking Northwest is shown as an example location.
