- Existing General Purpose Lane Access – Full ○ Proposed General Purpose Lane Access – Full ▲ Proposed Managed Lane Access (Bus Only)
- ◐ Existing General Purpose Lane Access – Partial ◐ Proposed General Purpose Lane Access – Partial ▲ Proposed Managed Lane Access (Bus/Auto)

Managed Lanes alternatives are one out of three remaining alternatives categories for the North Lake Shore Drive Phase I Study. In addition to Managed Lanes, other alternative categories are Context Tailored Treatments and Transitways. Each of the alternative categories provides transit improvements.
