Hi! Alternative 1 is my pick. Equalizing car traffic on B'way + Sheridan doesn't make sense.

[also wish there were more obvious commitments to improving bus service, so we could take more single occupancy cars off the road.

Our neighborhood is a vital transition
for multiple neighborhoods to link with
LSD. We need to keep it flowing,
not shut it down. The result isn't
going to be some alternative route for
them. It will just be misery and added
commute time taken from their families.
I don't appreciate neighborhood who
selfishly lock up traffic, and I don't
want my neighborhood to do that
